KONS-BRAKEC400G

Konstrukt® Non Chlorinated Brake and Parts Cleaner Konstrukt® Non Chlorinated Brake and Parts Cleaner is formulated for the rapid and safe removal of brake fluid, grease, oil and other contaminants from brake linings, pads, drums and other metals parts. It cleans without disassembling the brake unit, is non staining, leaves no residue and is non-corrosive. This product does not contain carbon tetrachloride, silicones, CFC113 or methyl chloroform. Its formula helps to stop disc brake squeal and eliminate clutch slippage. Uses a 360° valve for upright inverted applications.

DIRECTIONS FOR USE

Recommended Uses:

- Disk Brakes
- Clutch Plates
- Drum Brakes
- Forklifts
- Linings
- Calipers
- Pads
- Industrial Machinery
- Other Metal Parts

Application:

- Shake can well.
- Shake can occasionally during use.
- 360 degree valve enables spraying in upright and inverted positions.
- Do not spray at 45 degree angle.
- Spray parts generously to remove brake fluid, grease, oil and other contaminants.
- Dry with soft cloth or allow to air dry.
- Repeat application if necessary.
- Do not spray on hot or running engines.
- Do not contact battery terminals or starter solenoid with can.
- Do not use on painted surfaces.
- Prolonged exposure to rubber not recommended.

400g Aerosol
Clear White
Liquid
Dimethyl Ether

STORAGE:

- Store below 50C.
- Do not store in direct sunlight or in vehicles under hot conditions.

DISPOSAL:

- · Aerosol should be completely emptied prior to disposal.
- Contents under pressure. Do not puncture or incinerate, even when empty.

FIRST AID / SAFETY INFORMATION

- HIGHLY FLAMMABLE
- Keep away from flame, heat and sources of ignition. Do not smoke and ensure adequate ventilation during use. Harmful by inhalation, in contact with skin and if swallowed. Intentional misuse by deliberately inhaling contents can be harmful or fatal.
- KEEP OUT OF REACH OF CHILDREN
- If swallowed: Do not induce vomiting.
- Eye Contact: Rinse immediately with plenty of water. Seek medical advice from your doctor or Poisons Information Centre (Australia: 13 11 26; New Zealand: 0800 764 766).
- Note: the information provided within this Technical Data Sheet is intended as a guide only. The performance of this product will depend on many factors outside the control of Dy-Mark; including surface type and environmental conditions. Refer to Material Safety Data Sheet for more information.
